You Can View 4 Homes In One Afternoon

The Sunday Tour of Homes is a great way to get an overview of what homes and features are available in your price range.

Here's how it works: on Sunday, November 8th, we'll conduct a tour of four homes. The tour runs between 1:00 and 4:30pm, and you can meet us at any home on the tour. You can take in all four homes, or pick just the ones you want to see. You'll receive a brochure for every home on the tour, so it'll be easy to keep track. If you see a home on the tour that you're interested in, a second private showing can easily be scheduled for you (often later in the same day).
